Most expenses once you have landed in the Whitsundays will be covered in partnership between Tourism Whitsundays and our Members. All you have to do is ensure that you book and confirm flights to the destination if you have been confirmed to participate on one of our exciting familis!

Queensland’s International Airports are in Cairns and Brisbane and have connections on to either Whitsundays Coast Airport or Hamilton Island Airport where you will be met by a Whitsundays host.

We look forward to showcasing our unique and spectacular destination to you and ensure that you will enjoy every moment!
