

At the heart of the Great Barrier Reef lies the Whitsundays, 74 island wonders in the tropical warm waters of the Coral Sea. Swim with thousands of brightly coloured fish and brilliant corals while snorkelling or scuba diving, and witness diverse marine life including humpback whales, dolphins, turtles and dugongs.

The Whitsundays offers some of the world's best sailing, so charter a boat and cruise the islands or even board a tallship, all the while enjoying the beautiful sunsets and relaxing waters of the Whitsunday islands. Or if you prefer something more adventurous, join a jetski or ocean rafting tour and skim across the water in style, or soar above the magical Heart reef from the air.

Sink your toes into the white silica sands of famous Whitehaven Beach, regularly voted one of the world's best beaches. Spend the day on the beach or explore the breathtaking beauty of Hill Inlet, a stunning cove where the tide shifts the sand and water to create a swirling fusion of turquoise colours.

Soak up the tropical, laid-back lifestyle, laze on one of the many uncrowded beaches, relax with a sunset cocktail and let your everyday stresses melt away. Explore the endless natural landscapes, soak up the sun and after a great day, indulge in fresh local seafood at one of the many al-fresco restaurants.

You'll find every kind of beauty, adventure and luxury here in the Whitsundays, at the heart of the Great Barrier Reef.
